SKIN CARE AFTER CHRISTMAS

Here are a few essential tips for you to help rejuvenate your skin after a cold winter and the over indulgence during the Christmas period. The top three tips are 4 to improve your lifestyle, get a decent skin care regime and then look at active treatments to rejuvenate your skin.

Lifestyle

Your skin is the largest organ your body has and it needs to be cared for. It is important that you make a few simple lifestyle changes to reinvigorate its condition.

Keep alcohol consumption to a minimum, try to quit smoking, stay hydrated and stay out of the sun, in addition eat healthily – in particular fruits and vegetables which have anti-oxidant qualities and eat foods with the essential oils that your body needs

Skin Care Regime

Use a daily skin care regime and avoid soap. Start with a cleanser and a moisturiser to replenish the skin. Phone or pop in to speak to one of our friendly therapists for advice on which products are suited for your skin type.

Rejuvenation and Active Treatments

This is where seeing a skin care specialist can help. We can diagnose and then advise treatment for basic skin problems, advise correct use of products and active anti-ageing ingredients to maximize your skin care regime. A fully qualified and experienced therapist can sit down with you and discuss in salon treatment options to induce faster results with your skin care needs.

CHRISTMAS 2011

Welcome to our Xmas Newsletter. With the year end fast approaching at Trois we have some major changes coming up. In January a brand new lift is being installed in the building which will make life much easier to those of you who don't like using the old heavy lift. This work should be completed by the middle of February so until then you will need to use the stairs. After eleven wonderful years together Hair and Beauty are separating businesses. Beauty is rebranding with the name PuraVida Beauty. Hair remains Trois on Allen. It's all very exciting and you don't need to worry about having to go to another location as we are both staying where we are but watch this space for the changes...

Thank you so much for your loyalty throughout the year. We are blessed to have such amazing clients. We wish you all a Merry Christmas.
